

REGISTRATION AND USE OF THE PLATFORM

REGISTRATION

If you have received an email to register as a client platform where it says create an account, you must follow some steps that are detailed below:

1. Click on [Create an account on Sureness](#).
2. Complete the required data.
3. Place a password (at least 8 characters)
4. Send

ACCESS TO THE SURENESS SERVICES

5. Enter on our own web adress, www.sureness.eu
6. Select your language (right lower corner).
7. Click on ENTER (right upper corner). Enter username and password. Your username is the email where you were invited or which introduced to register and password which you place. Password might change or rerecuperate if it is neccessary
8. Once there, you can pay the fee of 180€, since that you can access to the service; documents certification, see the corporate ratings, mediation, and a database of exporters and importers.
